Item# 75074

Contents:

- 2 SLMsmart Health Shake
- 1 Crave Control
- 1 Body Cleanse
- 1 Calorie Burner
- 1 ProArgi-9+ (Mixed Berry)

Featuring ProArgi-9+ and the complete SLMsmart system, this pack offers an array of proteins, amino acids, cleansing herbs, and time-released energy to help you maintain lean muscle mass and experience healthy weight loss.

SLMSMART HEALTH SHAKE is a great-tasting, protein-rich meal replacement that simplifies weight management to fit your busy lifestyle. Whether you take it for breakfast or as an alternative to a fast food lunch, Health Shake is formulated with three time-released proteins that will keep you feeling full longer. One serving of Health Shake's chocolate or vanilla flavored mix fulfills one-third of the body's daily nutrition needs. Health Shake's rich and creamy flavor will satisfy your cravings without sacrificing your dietary goals.

CRAVE CONTROL lets you take a break from hunger. This refreshing, strawberry-lemonade flavored drink mix promotes a sustained sense of fullness with a powerful blend of chromium picolinate, fiber, and a patented, all-natural potato protein extract. This delicious formula helps you fight hunger for up to three hours while helping you resist the urge to indulge on your favorite junk foods.

BODY CLEANSE features an efficacious blend of 35 time-honored herbs that helps rid the body of waste and unwanted toxins that can build up over time as a result of poor diet, environmental factors, and the breakdown of stored body fat. Body Cleanse is a gentle way to restart your system when you have reached a plateau on your weight management journey.

CALORIE BURNER harnesses the power of thermogenics with a combination of green tea, yerba mate, guarana seed, and garcinia fruit for time-released energy. Supercharge your metabolism and burn more calories and fat throughout the day. Calorie Burner is the perfect addition to your healthy weight management routine.

PROARGI-9+ is a powerful blend of amino acids L-arginine and L-citrulline, and a potent mixture of vitamins and minerals. L-arginine is the star ingredient of this formulation and has the scientific properties to convert into nitric oxide, a molecule that enhances the cardiovascular system. L-arginine has been shown to help build muscle and reduce adipose tissue for improved body composition. ProArgi-9+ is also low in sugar to help you maximize your nutritional goals, making it an excellent addition to your weight management routine.

As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, or prevent any disease.
